

GARSINGTON OPERA  
AT WORMSLEY

## Deputy Chief Electrician

Garsington Opera is looking to appoint a Deputy Electrician for our upcoming 2026 season. Working alongside the Production Electrician & the Chief Electrician in the provision of all lighting, sound & video requirements for both productions and site.

### Key duties

- To assist in the fit up and changeover of each production on stage, on stage show cues during the performances, desk operation and general duties required for the running of performances
- To deputise for the Chief Electrician
- To ensure all lighting and sound requirements of the productions are prepared to an excellent standard and are ready for rehearsals and performances
- To assist in ensuring all lighting equipment is checked and operational prior to performance or rehearsals
- To ensure all lighting and electrical requirements of the site are prepared and functioning throughout the season
- To undertake onstage and backstage cues during performance
- To help maintain equipment to the highest standard possible ensuring all equipment on site complies with the necessary legislation and testing procedures
- Along with the Chief Electrician, liaise with the site manager regarding auditorium & site lighting requirements and any maintenance required
- Maintain a good practice of health and safety in all areas, familiarise and follow risk assessments, reporting any problems to the Technical Director
- To carry out any other tasks that will, from time to time be allocated by the Technical Director or Chief Electrician on an ad hoc or continuing basis, relevant with the general level of responsibility of the post.
