

GARSINGTON OPERA
AT WORMSLEY

Assistant Lighting & Sound Technician

Garsington Opera is looking to appoint an Assistant Lighting & Sound Technician for our upcoming 2026 season. Working alongside the senior electricians staff in the provision of all lighting, sound & video requirements over the season for both productions and site.

Key duties

- To assist in the fit up and change-over of each production on stage, on stage show cues during the performances, and general duties required for the running of performances
- To ensure all lighting and sound requirements of the productions are prepared to an excellent standard and are ready and functioning for rehearsals and performances
- To assist the Head of Sound & AV on relevant elements of production
- Deputise for the Head of Sound and AV on fit up, changeover and show cues when required
- Operating the lighting board as required during performances
- To ensure all lighting and electrical requirements of the site are prepared and functioning throughout the season
- To assist in ensuring all lighting equipment is checked and operational prior to performance or rehearsals
- To undertake onstage and backstage cues during performance
- To help maintain equipment to the highest standard possible
- To carry out any other tasks that will, from time to time be allocated by the Technical Director, Chief or Deputy electricians on an ad hoc or continuing basis, relevant with the general level of responsibility of the post.
